3rd

Gawad LIDER

Awards for Leadership and Innovations for Development Relevant to Science Education

Organized by:

SCIENCE EDUCATION INSTITUTE
Department of Science and Technology

3rd Gawad LIDER in Science Education

GAWAD LIDER IN SCIENCE EDUCATION AWARDS is a biennial award given to individuals and/or groups in order to:

1. recognize those who have demonstrated sustained leadership and ability to improve education in the sciences;
2. recognize exemplary scientific and technological innovations to improve education in the sciences; and
3. Inspire others to become exemplary leaders and/or innovators to improve science education in the sciences.

The search culminates with the conferment of the award to deserving individuals or groups during the celebration of the National Science and Technology Week.

AWARD CATEGORIES:

Exemplary Leadership Award. This award is conferred to individuals and or institutions/organizations that have consistently demonstrated leadership qualities leading to improvements in the field of education in the sciences which have generated nationwide impact.

Innovation Award. This award is conferred to an individual or institution for the introduction of a technology-based innovation that benefits education in the sciences.

AWARDS & INCENTIVES:

Exemplary Leadership Award

Individual Category

Php 200, 000
Medal

Institution/Organization

Php 200, 000
Medal

Innovation Award (2 Winners)

Php 100, 000 each
Medal

PROCEDURE FOR NOMINATION AND APPLICATION:

1. Who may nominate?

- heads of institutions
- community leaders
- organizations
- individuals

2. Who may be nominated?

- **Exemplary Leadership Award - Individual**

Any person who has demonstrated sustained leadership capability through the conduct of a project with significant impact on education in the sciences may be nominated. The program/project under his/her leadership should have been implemented for at least five (5) years at the time of this competition.

- **Exemplary Leadership Award - Institution**

Any institution or organization that has demonstrated sustained leadership through the conduct of a project with significant impact on education in the sciences may be nominated.

- **Innovation Award**

Any individual or institution who/which has introduced a technology-based innovation that contributed to the advancement of education in the sciences may be nominated. The nominee should have successfully used or adopted the innovations with documented results.

An **innovation** is operationally defined as the development or enhancement of devices, equipment, gadgets, tools or products, processes, systems and procedures that have resulted in greater effectiveness and higher efficiency in teaching and learning in the sciences.

3. What are the documents for submission?

Preliminary Stage

- nomination form
- application form

National Selection Stage

- Original copies of at least two (2) of the following to support the application:
 - clippings of news items/articles
 - Internet downloads
 - pictures
 - videos
 - testimonials/written testimonies of heads of relevant institutions/ peer/ organizations (2-3)
 - Patent or Copyright/Application/ Award for Copyright

4. Where to get and submit the Nomination and Application Forms

- Science Education Institute
- DOST Regional Offices

5. Deadline of Submission of Nomination/ Application Forms/Documents

15 January 2012 - deadline of submission to DOST Regional Offices

31 January 2012 - deadline of submission to SEI
