CAREER INCENTIVE PROGRAM

The Career Incentive Program (CIP) is a short-term scheme to address the administration’s call to strengthen the country’s S&T capability and avert unemployment of graduates of DOST-SEI graduate scholarships and provide them opportunity to work in research activities where they can contribute their knowledge and expertise.

This is open to MS and PhD graduates of the ASTHRDP. Interested scholar-graduates may apply to the CIP and they shall be matched with a DOST agency/research institution where their specialization is needed in research projects/activities.

The CIP Researcher with a MS degree shall assume the position of a Senior Science Research Specialist and one with a PhD degree, Supervising Science Research Specialist with the corresponding compensation to be provided by the Science Education Institute, subject to availability of funds and government accounting and auditing rules.
The Department of Science and Technology—Science Education Institute (DOST-SEI) announces the availability of scholarships for the pursuance of Master’s and Doctorate degrees in priority S&T areas through the implementation of the Accelerated Science and Technology Human Resource Development Program (ASTHRDP).

**GOALS**

1. To help improve the country’s global competitiveness and capability to innovate through Science and Technology (S&T).
2. To accelerate the production of high-level human resources needed for Research & Development (R&D) in S&T.
